Our upper preschool serves ages 3-4 and our kindergarten preparedness “K-Prep” program serves ages 4-5+. Children must turn 4 on or before September 1st to enroll in the K-Prep program. Hours are 8:30 a.m.-5:30 p.m. for the upper preschool and K-Prep programs. All classrooms offer an 8:00 a.m. early drop-off option for an additional charge (depending on availability); children signed up for early drop-off receive breakfast upon arrival.

The preschool and K-Prep programs run year-round. Children enrolled in the K-Prep program are enrolled until the last day of June. Sign-up forms are distributed in February and K-Prep families that wish to maintain enrollment in July and/or August, and/or wish to extend K-Prep for an additional year may sign-up to do so. Enrolled children in the K-Prep program are permitted to be up to 6 years of age.

Our chef prepares delicious and nutritious meals and up to three snacks daily. All of our snacks and meals focus on nutrition, dietary restrictions, attention to allergies and respect individual tastes. Organic ingredients are included. *We are a nut free facility*
